*two electrical outlets are needed.

*two electrical outlets are needed.

We would like lighting effects based on the following three.

- 1) **Backlight**
- 2) **Smoke**
- 3) **Strobe light**

As for 1) Backlight, it is preferable that performers are haloed and silhouetted.

1) + 2) (this backlight and plenty of smoke) is the base.

(We attach photos of recent performances. Please, look at them.)

Intensive flickers of strobe lights are added to this.
